

## Concepts Common to Online Periodicals Indexes and Online Encyclopedias:

**Content:** Full text vs. citation & abstract only vs. citation only.

**Printing/Downloading/Emailing Options:**

html option: Plain text . Easy to print. Does include photos.

pdf option: Formatting appears identical to magazine article page with columns, font,etc. PDF option slows downloading and printing.

**Limiting:**     Limit to full text articles only.  
                  Limit to articles from peer-reviewed journals.  
                  Limit dates.

**Method of searching:** Keyword search vs. subject search.

**(Note:** which field will be scanned for keyword. Title? Abstract? Full text?)
