NUS 211 Syllabus Addendum

ERI: Educational Resources, Inc.

The RNCAP Critical Thinking Process test is required to be completed via the web at home or in the Learning Center. This test will be available to take March 10, 2008 and must be completed no later than April 7, 2008. Failure to meet this deadline will result in an Action Plan being issued. Failure to complete this test will prevent the student from sitting for the final course exam.
